HEALTH SCIENCE & MEDICAL TECHNOLOGY

MEDICAL ASSISTANT* (Clock Hours 748) In this program students will learn the many skills of medical assisting, including ability to prepare patients for examination and treatment, ability to perform various laboratory tests, and management of patient records. This course includes work-based learning in medical clinics and doctor offices. Students will be required to travel to Redlands (three weekends) for the Phlebotomy/Venipuncture training for this program.

Requirements:

- Must be at least 18 years of age.
- Must have a High School Diploma, Equivalency Diploma or General Education Diploma (GED) from the United States (if High School Diploma is earned outside of the US – must provide legal documentation that education is equal to a 12th grade education in the US or higher).
- Must show proof of a negative tuberculosis immunization or chest X-ray by first day of class; recommended Hep B immunization.
- Must take the Test of Adult Basic Education exam (TABE 10 – Level D and Level M) and receive a Reading Level score of 5.0 or above and a Math Computation score of 5.0 or above.
- Government issued ID & Social Security Card.

PROGRAM ID	LOCATION	TIMES	DAYS	START	END	INSTRUCTOR	FEE
2802350	Rm 502 - CTC	8:00am – 12:00pm	MTWTHF	IN SESSION		J. Garcia	\$13,350

CLASS LOCATION: CAREER TRAINING CENTER (CTC) 1501 S. BON VIEW AVE., ONTARIO, CA 91761

PHARMACY TECHNICIAN* (Clock Hours 630) This program prepares students with entry-level and advanced skills for employment in community clinical or hospital pharmacies. Students prepare for the Pharmacy Technician Certification Exam.

Requirements:

- High School Diploma or General Education Diploma (GED) (Official Transcripts Required).
- Tuberculosis Clearance (TB test) and submit proof of immunizations (MMRV). If you cannot show proof that you have these immunizations, you will need to provide a “Titters” blood test.
- Must be able to lift 35 pounds.
- A background check is required. Background checks consist of a criminal record search of Los Angeles, San Bernardino and Riverside Counties.
- Each clinical site, as well as the Pharmacy Technician Certification Board (PTCB), may disqualify a student based on past offenses: www.baldyviewrop.com/pharmacytech.
- Live Scan fingerprinting will be REQUIRED upon class completion to qualify for the California State Board of Pharmacy Certificate.
- Live scan: Submission of electronic fingerprints to the California Department of Justice (DOJ) and Federal Bureau of investigation (FBI) for a Local, State and Federal criminal record search.
- Must take the Test of Adult Basic Education exam (TABE 10 – Level D) and receive a Reading Level score of 7.0 or above.
- Government issued ID & Social Security Card

REGISTERED DENTAL ASSISTANT (RDA) (Clock Hours 825) This course is designed to prepare students for employment as a chair side dental assistant and prepare for license as a Registered Dental Assistant (RDA). This course includes instruction in dental terminology, communication, interpersonal skills, ethical and legal considerations, pre-clinical sciences, preventive dentistry, radiology, dental materials and basic chair side assisting. Students participate in clinical internships. Integrated throughout the course are Common Core State Standards (CCSS) and Career Technical Education (CTE) standards, which include safety, communication, technology, ethics, career planning and other employability skills.

Requirements:

- High School Diploma, General Education Diploma (GED Official Transcripts Required).
- Must take the Test of Adult Basic Education exam (TABE 10 – Level D) and receive a Reading Level score of 5.0 or above.
- Live scan: Submission of electronic fingerprints to the California Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) for a Local, State and Federal criminal record search. http://www.bvnpt.ca.gov/enforcement/convictions_faq.shtml
- Government issued ID & Social Security Card.

LICENSED VOCATIONAL NURSING (Clock Hours 1530) The Licensed Vocational Nursing program is a 17-month program designed to provide students with the basic knowledge, skills, and abilities to perform the duties of a Licensed Vocational Nurse in a health care environment. The practice of a licensed vocational nurse is under the direction of a licensed physician or registered professional nurse. The program is accredited by the Board of Vocational Nursing and Psychiatric Technicians and WASC (Western Association of Schools and Colleges). The completion of this program meets the minimum requirements necessary for application to take the National Council Licensure Examination-Practical Nurse (NCLEX-PN)

Requirements:

- Must be at least 17 years of age.
- Must have a High School Diploma, Equivalency Diploma or General Education Diploma (GED) from the United States (if High School Diploma is earned outside of the US – must provide legal documentation that education is equal to a 12th grade education in the US or higher).
- Tuberculosis Clearance (TB test) and submit proof of immunizations (MMRV). If you cannot show proof that you have these immunizations, you will need to provide “Titers” blood test.
- Live scan: Submission of electronic fingerprints to the California Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) for a Local, State and Federal criminal record search: http://www.bvnpt.ca.gov/enforcement/convictions_faq.shtml.
- Must take the Test of Adult Basic Education exam (TABE 10 – Level D) and receive a Reading Level score of 11.0 or above, a Math Level score of 11.0 or above, and a total Battery Level score of 11.0 or above.
- Government issued ID & Social Security Card.
